***Middle-school Youth Retreat, June 2015***

Middle-school youth relax and celebrate the end of the school year with a retreat at UBarU Camp and Retreat Center.

At first UU, religious education and other activities continue all through the year. During playground time this summer, children had lots of opportunities for free-form play and experimentation.

In our summer curriculum classes, children explored the wonders and mysteries of the physical universe.

## New Friends

During our “Visioning with the Minister” event Sept. 5, parents of children in youth religious education had a chance to convey their hopes for our program to our new minister, Rev, Joshua Snyder. During this time, children played some get-to-know-you games and enjoyed the company of friends old and new.

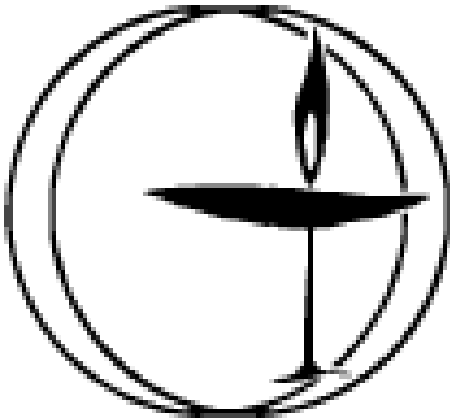

## Adventures off-campus

Every summer, children and youth from First UU attend summer camps at UbarU Camp and Retreat Center. In these camps children play, worship, and learn with children and youth from congregations throughout Texas and beyond.

The hill-country setting of UbarU affords lots of opportunities to discover nature. Here, a camper enjoys the company of a new friend.
