GOVERNANCE PROCESS POLICIES**

Policy 4.0: Global Governance Process Policy

The Board is elected to represent the Congregation in determining and demanding appropriate organizational performance.

Accordingly,

a. The Board will engage in regular and intentional linkage activities to deepen its understanding of the views and values of the Congregation and other sources of authority and accountability.

2) The Board will produce written governing policies that, at the broadest levels, address each category of organizational decision.

a. Ends: The difference we make in the world.

b. Minister Limitations: Constraints on executive authority that establish the prudence and ethics boundaries within which executive activity and decision must take place.

c. Board Governance: Specification of how the Board conceives, carries out, and monitors its own task.

d. Board-Minister Linkage: How authority is delegated and its proper use monitored.

3) The Board will assure Minister performance in compliance with the Ends and Minister Limitations policies.

Policy 4.1: Agenda Planning

1) Annual Retreat/Establishing Priorities. The Board shall act as a group in establishing the priorities for each Board year. The priorities for each year shall be determined at an annual retreat to be held early in each fiscal year. Prior to the annual retreat, the incoming President shall consult with the out-going President and, if necessary, other Board members regarding outstanding priorities and other business of the Board that should carry over to the next year. The President shall direct the planning of the annual retreat, including proposing areas for discussion and consideration by the Board. - f) The Board may schedule an audit or review at their discretion, as need is perceived.

In consultation with the Vice President and the Minister, the President then shall, consistent with the Board's agreed upon priorities and agreed upon agenda items, facilitate setting the agenda for each meeting to be held, and shall publish the proposed agenda in advance of each such meeting for Board review and comment. A Board member may recommend or request an item for inclusion on the agenda before the scheduled meeting.

Policy 4.2: Role of the President

The President ensures the integrity of the Board's process and represents the Board to congregants and outside parties.

Accordingly,

- 1) It is the responsibility of the President to ensure the Board behaves consistently with its own rules, the bylaws, and those requirements legitimately imposed upon it from outside the organization.
- 2) Meeting discussion content will be only those issues which, according to Board policy, clearly belong to the Board to decide, not the Minister.
- 3) Deliberations will be fair, open, and thorough but also timely, orderly, and kept to the point.
- 4) The authority of the President consists in making decisions that fall within the policies in Board Governance and Board-Minister Linkage, except where the Board specifically delegates portions of this authority to others. The President is authorized to use any reasonable interpretation of the provisions in these policies.

- 7) The President may delegate this authority to another Board member, but remains accountable for its use.

2) Members will disclose their involvement with other organizations, with vendors, or with any other associations that might produce a conflict of interest.

3) Members must represent unconflicted loyalty to the interests of the Congregation. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other Boards or staffs. It also supersedes the personal interest of any Board member acting as a consumer of the Congregation's services

4) Members must avoid conflict of interest with respect to their fiduciary responsibility.

5) There must be no self-dealing or any conducting of private business or personal services between any Board member and the Congregational staff except as procedurally controlled to assure openness, competitive opportunity, and equal access to inside information.
